## **PAVEL MIROVSKY APPOINTED CEO PHARMASWISS SA**

It is our great pleasure to announce that Pavel Mirovsky has joined PharmaSwiss SA as Chief Executive Officer (CEO), effective April 15<sup>th</sup>, 2010.

Pavel will report to the Board of PharmaSwiss S.A. All corporate functions will report directly to Pavel, as will current operations heads.

A Medical Doctor by training, Pavel joins PharmaSwiss from IMS Health, where he was Regional General Manager for CEE, NE/ME, NA, and Portugal. Prior to IMS, Pavel held positions as President and CEO of Polpharma (Poland's largest generic company) and also led Aventis operations in CEE in senior Regional operational roles, including Poland / Baltics. Pavel began his career in the pharmaceutical industry at Rhone Poulenc Rorer, Czech Republic. Prior to that, he worked as an expert for the WHO in Africa, as visiting scientist at Harvard Medical School and as Assistant Professor at University d'Oran in Algeria.

Pavel brings a unique combination of research-based marketing and established products savvy to PharmaSwiss, as well as a deep knowledge of our region. A Czech national, Pavel speaks fluent English, French, and Polish. He is a keen fisherman and skier.

Please join us in warmly welcoming Pavel to the PharmaSwiss team.
